DEDICATION

When choosing a theme for the 1947 Capitoline, the staff was very much attracted by the field of radio because of its great contribution to the education of our people. True, all radio programs are not educational, but since the development of this remarkable instrument, a great many people have had the opportunity to hear drama, fine music and broadcasts of international importance. In the future, television promises to play an important part in the radio field; hence, another aid to education. So to all workers—past, present, and future—in the field of radio, we of the '47 Capitoline staff dedicate our publication.

FOREWORD

In preparing your 1947 Capitoline, we of the staff have endeavored to present to you, the students of Springfield High School, a yearbook that will always bring back pleasant memories. If, when you glance through the pages, you see a picture that brings you happiness in remembering a certain football game, a special club meeting, or an almost forgotten friend, we shall then feel that we have accomplished our objective.

Varied problems of the students at S. H. S are solved by our assistant principals (who are in charge of discipline during Mr. Davis's leave of absence) and deans. It is the duty of these advisers to help students map out their programs and see that each one is making required credits for graduation, to maintain a quiet study hall, to make announcements and to help place certain students in outside work. Students remain in the same study hall all four years, and thus their study counselor can get acquainted with them by frequent contact.

ENGLISH

Miss Ellen Rourke's Public Speaking class debates current topic before student and radio

The S. H. S. English department is one of the departments that teaches every single student in this school. As American educators believe, a person must have a thorough background of English. He should know how to express himself, both in writing and in speech; he should have a reading skill to maintain his knowledge of current problems. The basic idea of this department is that logic, insight, and imaginat on are most essential

In 1946-47 two changes in the English department were significant. The Senator, our school paper, was put out by the newly organized Journalism class and editing group, both advised by Miss Margaret Wilson. The senior class play was directed by two coaches paid from the proceeds of the play Formerly the Drama teacher added a class play to her already strenuous program

The English curriculum this year was in accordance with our country's stress on inter-cultural relations; books with information on Latin America, Japan, China, Spain, and more extensive world situations (particularly used in senior courses) were read

and discussed. Techniques of radio and movie writing were also learned, as was an intelligent selection of news from the daily paper.

A freshman at S.H.S. starts out with 9t composition, and learns the rudiments of spelling, punctuation, and sentence structure, while in 9th e gets a general course of literature. A sophomore studies newspapers, radio, and movie, the three fields of communication; in the later semester American Literature is introduced. Learning to read, summarize and adapt the past to today is the junior's work. He sees the relation of heritage to his relations with other human beings; his studies consist of English 4, and English 5 or English 7. The senior comes into a mature range of thinking when he takes English 13, which is required for college preparatory courses Elective courses given seniors are Drama, Public Speaking, and Journalism

Under Miss Elizabeth Graham's direction, a capable English staff has organized and rounded out a course of study rich in modern and classical, practical and imaginative writing, speaking and reading

SOCIAL SCIENCE

Every student at S. H. S. is required to take one year of World History and one year of American history to graduate. World History starts with the cave-man and reveals the story of the human race's struggle against tyranny, including the study of such interesting peoples as the Egyptians, the Romans, and people of the Middle Ages American history is interesting, of course, for it is about our own country-development of the thirteen colonies, Revolutionary War, Civil War,-and leads up to the present wars of society in which America has been engaged. It is no wonder that these courses are required for students to graduate. Many become so interested in this field that additional subjects, such as World Problems, economics, civics, and geography are offered.

Our history department, under the direction of Miss Louise Welch, places value on

facts and dates only when they give students a clearer insight into the growth of civilization. By reasoning things from examples of the past, we can understand much about the present and the future. In nearly all S. H. S. history classes, one day is spent each week on "Current Events" to keep posted on happenings all over the world, and to increase the understanding so badly needed by all nations. Emphasis on this world knowledge is needed in all high schools, and S. H. S. is made a more up-todate school because of this training. Students who have derived information from these courses go into the world as wellinformed citizens, ready to take an intelligent part in the government of the United States and the reconstruction of other countries. Our capable history department is to be commended for its work.

The S. H. S. mathematics department is a well-developed one, for this subject is an essential part of such courses as engineering, chemistry, architecture, surveying, and many others. Instructors are well-qualified, and are interested in the progress of students in their classes

Students taking college preparatory courses are required to take one year of algebra and one year of plane geometry. Juniors and seniors can major in math by taking another year, consisting of semester courses of advanced algebra and solid geometry. Other intriguing subjects offered are college algebra and trigonometry.

Projects displayed in the mathematics case always attract attention, for they represent work in all sections of the department from freshman algebra to field projects in trigonometry by seniors. These projects emphasize the practical applications of mathematics, which are continually stressed by the instructors

More and more students are applying for the language courses at S. H. S. because language bonds between countries promote better understanding in international relationships. Also, a knowledge of several languages is a sign of culture

Latin is essential for a better understanding of English, and, if taken first, it makes the acquiring of other languages much easier. With the aid of Miss Blatt, Miss Steinmiller, Miss McPhillimey, and Miss Ihlenfeldt, students learn grammar, Caesar, Cicero and Virgil

Miss Mathews encourages her French classes to give plays, to speak and sing in French at the same time that they are learning grammar.

Miss Ronca enlightens her students on the customs of South American people, and enlivens class discussion with material not in Spanish textbooks. Emphasis is on reading writing, and speaking ability of Spanish.

For the past few years, science has played an essential part in affairs of the world Scientists have developed such items as penicillin, sulfa drug, atabrine, plastic, and, most important of all, the atomic bomb Thus, this can be rightly termed the Scientific Era.. It is no wonder that the opportunities for scientists are increasing; a practical person of scientific aspirations can go

into an up-and-coming field such as this, and find a great future ahead of him.

At S. H. S. are offered a variety of sciences—chemistry, physics, botany, zoology, biology, physiology, agriculture, and general science. A student needs for these courses a good memory, tenacity, imagination, and a practical application of all three.

The commercial department is not only for students who wish to become bookkeepers, typists, and stenographers, but it offers subjects of practical application for every student. An author should know how to type, a reporter should be able to take notes in shorthand, a businessman should have some idea of bookkeeping—these are a few

of the practical applications of commercial subjects.

More and more students realize that it is desirable to master shorthand, bookkeeping, and typing, free in high school, rather than to attend a business school after graduation. Mr. Goodwin's salesmanship class is invaluable to many students. These high school courses are a great opportunity.

FINE ARTS

Under the direction of Miss Amanda Wessel and Miss Marjorie Mason, the S. H. S., art department has produced talented work this year. The art students learn designing, clay modeling, portrait techniques, still life in water color or chalk, posters, block printing, abstract emotional drawings perspective, and lettering. Very talented results are displayed in the art case on the second floor

HOUSEHOLD ARTS

Courses in home economics are very impartant, for all girls should know the art of managing a home. Cooking, sewing, and good taste in buying and decorating are taught by S. H. S. home economics teachers. The girls have prepared refreshments for several parties to which they invited members of the faculty; attractive-looking dresses made by girl students were featured in a case in the main hall

University of Iowa,

In industrial arts, boys learn to handle the various machines, and to repair them; they acquire dexterity in woodwork, in mechanical drawing, and others. Those interested in this field of occupation can become machinists, carpenters, printers, draftsmen, electricians, or even toy manufacturers. Even if a person does not go into the industrial field, he is well-equipped with experi-

ence gained in this type of work, and can apply his knowledge anywhere.

A nine week course of instruction in automobile safety is now required of all S. H. S. students in general shop. These classes, under the instruction of Mr. La Fauce, learn motor-vehicle laws of Illinois and their applications with consideration for the other person's rights, and they study the parts of a car.

MUSIC

Students who wish to take a special type of music enroll in the band directed by Mr. Patrick, the orchestra directed by Mr. Johns, or in the A Cappella Choir under Miss Hausen's management.

For those who are not in these activities at S. H. S., there is a required course of chorus to be taken in the freshman and sophomore years. Mr. Benedict, director of the chorus groups, uses varied selections from the classic and popular songs to help the students appreciate and understand music.

Miss Hausen, besides directing the S. H. S. choirs, has a harmony class for people interested in writing, reading, and singing music. This is about the theory of music

S. H. S. has a fine music department in which every student has some classes during his high school career

The boys not in any of these activities get a rigorous workout in basketball, tumbling, and exercises in the boys' gym under the watchful eyes of Peterman, Roellig, and McQueen

And, what about the girls? Miss Mather conducts classes for all except those who

are physically unfit for gym workouts. The girls have exercises, kick-ball, volley-ball, dancing, and tumbling. The semester tournaments in kick-ball and volley-ball are always anticipated by girls especially interested in sports. This year, the girls were allowed to compete in an inter-school golf and tennis ladder tournament which made their sports as worthwhile as the boys activities

STUDENT OFFICE

The student office has personal contact with almost every student at S. H. S. This staff keeps mischievous students in line, and settles problems that would stump Dorothy Dix and Dr. I. Q. Miss Robb, attendance clerk, faithfully records school attendance and determines validity of excuses by checking with parents. Miss Aurelius, room 2's efficient clerk, never has an idle moment. The student office is similar to a bus depote students buy tickets, ask information of Miss Aurelius, use the telephones between classes, and look for lost articles.

MAIN OFFICE

In the main office are two gracious and helpful secretaries, Miss Margaret Davis and Miss Edna Atkins. Miss Davis, our corresponding secretary, carries on all S. H. S. correspondence matters, maintains the school calendar of important events, from senior prom to freshman tests, and is in charge of our building requisition when a certain group wish to use S. H. S.'s auditorium for a fecture or some similar purpose. Recording the grades and class rank of each student, and sending grade transcripts to colleges is Miss Atkins' job; in fact she keeps tabs on the entire scholastic record of S. H. S. She also takes care of rental books

STUDENT SERVICE

In our up-to-date library, a student can find anything from a biography for history to a volume of poems by Vachel Lindsay. Miss Zimmerman, jovial librarian, is always willing to help students locate material they

need in assignments.

The library is a grand place in which to study; it is a spacious place, has eye-pleasing colors, and presents a cosy atmosphere. The tables provide ample space for research work,

Especially planned for students who have their homework done, the browsing section is Miss Zimmerman's brain-child

Miss Southwick, S. H. S. nurse, is always busy, for she must be right on the job whenever a student becomes ill. In her "spare" time, our nurse examines students who do

not seem well, gives eye tests, and aids in giving T.B. tests. Miss Southwick is sympathetic and understanding, and we at S. H. S. are glad she is here.

For those who are unable to go home for lunch or to bring lunches to school, the S. H. S. cafeteria is a handy institution. The balanced meals of meat, vegetables, and potatoes which are served prevent students from buying too many starches or sugar products, and give them the essentials that high school people need for growth. The delicious desserts made by cafeteria cooks are especially to be commended, as are the fresh-looking salads. With the help of federal and state funds, meals have been served at a very low cost to students.

JANUARY SENIORS

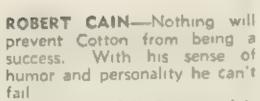

"Small but mighty" might well describe this January class. Although they were few in number these graduates have indeed left a distinguishing record at our school.

In Steptember, it semed like the next four months would never pass, but with remarkable swiftness graduation day came and went. Now, with high school days over, these graduates are continuing their path of development in many wide and varied fields. For some—a college education; for others—the business world. But whatever the case may be we are certain that they will continue to uphold the reputation and tradition of S. H. S. as they did so admirably in their high school careers.

C L A S dy," despite her nickname, is a very feminine girl and one who added cheer to the halfs of S. H. S by being her own pleasant self.

Advanced Orchestra; Cafeteria Council, secretary

CHARLES BRANDENBURG— Charles is a quiet fellow who is fun to have around. He's interested in everything and anything which will make him a versatile worker in the future.

Wrangler, Pill Rollers, Advanced Band

RICHARD COBB — Dick may have lost a season in football, but he made up for lost time with his feminine following

Wrangler; Pill Rollers; De-Molay; Basketball 1, 2, 4; Baseball 1, 2, 3; Football , 2, 3, 4

WILLIAM DeBOLT — If William's ambition is to make a lot of money and retire, he certainly started at the right place —a bank!

DeMolay.

HENRY DeCROIX—Hank's personality and handsome smile will make him a success in one or all of his many ambitions.

DALE ANDERSON — Dale had all the qualifications one needs to "win friends and influence people." He did that with much success at S, H. S.

Pill Rollers; A Cappella,

JOAN BUNCHMAN — Joan's sweetness and quiet personality won her many friends at S H.S. and "elsewhere."

Student Council; Pic Wic Sub Deb, Entre Nous Sub Deb; Prom Court.

JacqueLine CLAYTON— Jackie's pert personality will add spice to the office routine and make her a first-class secretary.

Prom Court.

EDWARD COX—Ed was popular with members of his class, We wish him good luck,

DAVID DeCRASTOS — Dave's hobby is experimenting with volts and circuits, which should help him in the engineering field

MARTINA DILLIARD — Marty hopes to get a job which will leave time for the pastime at which she excells, dancing and skating.

RICHARD DOBBINS — Rich plans to pursue his studies at Millikin, Maybe he'll major in the subject of Irish "Colleens." Wrangler, DeMolay.

FRANK FERNANDES—Take a bit of the tall, add a dash of the handsome, mix it together with plenty of personality, and there stands Frank.

Football 3, 4; Track 4.

LUCY FERRY—A sweet smile and a winning personality made Lucy a girl who was fun to be with. She will be an asset to any office,

Prom Court: A Cappella

JEAN FLICKINGER — Flick is going to be a personnel director in the far future. With her brains and personality she's bound to be a success

Philo, National Honor Society,

SEYMOUR FRIEDMAN— Frankie has eleven years of school mapped out for himself! We think he'll make it with flying colors.

A Cappella

THOMAS GOIN—Tom is going into the engineering field and if he does as well as we think he will he'll be tops.

Boy Scouts

PHIL EVANS — Flip is quite an artist and will use his talents in the field of civil engineering. We wish you all kinds of luck, Phil Wrangler.

JEAN FERREIRA — Jeanne's heart may have been with the Marines, but her beauty adorned the halls of S. H. S. and she reigned royally at the Winter Wonder Prom

Jr. Les Bas Bleus: Charter Sub Deb; Sept Huere Sub Deb; January Prom Queen,

MARY FINN—Mary must be making up for her short name in choosing her vocation. Che is going to be a comfometrist—a fifty dollar word!

DORIS FREDERICK—A lady of charm, Dode may someday be one of the "ten best women in America" Whatever we hear from her will be good.

Charter Sub Deb; Prom Court,

IMOGENE GODWIN — Gene is planning to be a secretary, only instead of following the crowd she intends to work toward the job of a medical secretary.

Orchestra; National Honor Society

JACK GLATZ—"Dutch" roared through school in more ways than one, but we think he'll make a successful silent partner in his father's business.

C L A S CAROLE GREGORY — Carole with her long blonde hair was the envy of all the girls when they saw her dancing or roller skating, her favorite pastimes.

Philo; Prom Court.

MILDRED HANNER — Petite Midge is going to break into the business world, and whatever her chosen work she will be as great a success as she was at S. H. S

RUSSELL HARRISON—Russ is interested in radio for his future, but now he is just an avid sports fan

LOREN HAMPSMIER - Loren

spends his spare time listening

JUNE SENIORS

Yes! It's actually come! It all seems quite inconceivable that our four years of high have come to an end, but it's true

The members of this year's graduation class have come a long way since that September day we started in as Freshmen. We have seen some of our members play in two state basketball tournaments as well as playing on a state championship football team. A great number of this class have been valuable assets to the choir, band, and orchestra

We have our share of scholars, too, as is seen by the list of the National Honor Society.

One of the outstanding accomplishments of this class of '47 was the promotion of class activities. By presenting a class play, we stirred up an interest and set an example for other classes here at S. H. S. Class activities, after an absence of a few years, have again become a part of the regular routine.

But this is all over now. The time has come for us to say goodbye to S. H. S. and thank her from the bottom of our hearts for pleasant, happy memories we shall retain for the rest of our lives

was in and out of hot water a lot in school, but he always managed to come out dry and laugh the whole thing off.

The Junior class can look back with pride at this year's activities. Rising from obscurity, the Juniors have played a great part in the activities of the school. Not only have they made a valuable addition to the school's athletics, management of school clubs, and student government, but they have also contributed to the morale of the students by presenting an original assembly.

The student body showed its enthusiasm for the Junior class when a great number attended a dance, the "Junior Gyp," sponsored by the Juniors.

These activities have given the class members valuable experience in learning to

handle the responsibilities that will be thrust upon them in their Senior year, as well as those that manhood and womanhood will bring

Now the Juniors are turning toward the future, determined to do a better job. They know that in their Senior year they will take over the reins of the student government and set an example for the rest of the school. All these students are looking forward to their Senior year wondering what new ideas they can contribute for the benefit of the school, knowing they cannot fail.

So, here's to the Juniors! We know that this eager group will have a happy and successful Senior year.

"Pledge! Carry these books to Room 112! Push this penny down the hall with your nose! Propose to 'Daddy' Wentz!" Such were the words that echoed in the ears of a great majority of the Sophomores when they started back to S. H. S. last fall

This year they really entered into the school activities in full swing. This year they could look at the Freshmen on open-

ing day and say, "Aren't they green!" This year they too had members of their class out on the football field gaining the needed yardage for a touchdown

There is a serious side to this class also, for in their hands rests the responsibility of making S. H. S. a success in the next two years. They are the future leaders of the school, and by what has already been seen of them, they are certain to do the job well.

Meet the "cooties," the most carefree of all our classes, who are here to stay for awhile. When these Freshmen entered S H. S. last September, their first thought was, "How shall we ever get used to this." But within two weeks they had fallen into line with the rest of the students and had begun taking their part in the school activities.

At football and basketball games they made their "Yea, team" well heard. At

of the attentive audience. At many social activities, also, Freshmen faces appeared.

As the year progressed, glimpses were caught of the future athletic stars, scholastic leaders, and a cappella, band, and orchestra members. Now as they enter their second year, these Freshmen are making plans to take their places in the school clubs, varsity athletics, musical organizations, and all other fields of opportunity open to the students of S. REGARDLESS OF LATE STAR

SENIOR CAPITOLINE

Yes, the year 1946-47 is all over now! It's time to read the 1947 Capitoline and relive the memories of this fun-packed year at S. H. S. For those who are freshmen at S. H. S., the Capitoline is an introduction to high school life, but it is the Senior class's farewell medium. Students (from freshman to senior), members of the faculty and their departments, sports, and club activities have been put into written, artistic, and photographic form. In these pages we have tried to put as much history of this year as possible

Despite the fact that the 1946 Capitoline was not out until March, the 1947 Capitoline staff buckled down to work, used some elbow grease, and got our prodigy off to a rousing start. An assembly entitled "The Inner-Capitoline or Open the Book, Robert," which was a takeoff on the radio theme of the book, opened our brief campaign. Students upheld the staff, and subscribed enthusiastically for their Capitolines. This campaign in March was the first time S. H. S. students had heard of the 1947 Capitoline, although the staff had been planning it since the beginning of the school year.

APITOLINE STAFF COMES THROUGH

After the editorial staff had devised a radio theme for the yearbook, they cooperated with the art staff to carry out this theme in writing copy and art work. The freshman, sophomore, and junior photograph editors measured and pasted; the senior editor and sports editor wrote and pasted. Of course, the business managers and the publicity editor took charge of the subscription campaign, and maneuvered the financial end of the deal. The snapshot editor's work was never done, for she had her camera busy all year around. Needless to say, our understanding adviser, Mr. Furry, was busiest of all

Following the precedent of last year, our Capitoline staff has a girl for its editor-in-chief—and nearly all girls on the staff. We have worked hard to overcome the late start; we are certain that we have gained experience in this new work, which was quite different from that we did on Junior Capitoline staff. Incidentally, the Juniors are the ones to thank for S. H. S.'s attractive Student Directories, and for their help in giving out the 1946 Capitolines

We on this staff hope you like this book, and that it will always be a link between you and our Alma Mater, Springfield High School If, in the years to come, it brings back vivid memories, then our efforts have indeed been worth-while

President Aleda Keech has directed the Philos through a most successful year. Starting out last fall with a lively pledge group, the Philos dropped the word "Literary" from their name since the club has been devoted mainly to activities of a social nature

To become a Philo, a girl must meet the scholastic requirements set by the school, and express her desire to become a member.

These active girls met every other Tuesday to promote the study and discussion of literary, scientific, political and social topics.

At Christmas the Philos gave a special tea for their mothers. At Easter-time they entertained the Les Bas with a charming program having the "Gay Nineties" for its theme

Being a very charitable group, the Philos furnished a basket at Christmas for the Family Welfare. They also made a donation to the Red Cross

Again this year the Philos made a huge success of their annual Valentine Dance in February. On graduation night a great number of the S.H.S. student body "tripped the light fantastic" at the Alumnae formal dance. This dance was eagerly looked forward to all year.

Miss Irene Mason and Miss Gieseking were the Philo advisers this year. They gave much individual time and effort toward making a success of this club, and they accomplished just that, as any Philo will tell you

JUNIOR LES BAS BLEUS

Because of the great number of girls who expressed the desire to join Les Bas Bleus, one of the most popular girls' clubs at S.H.S., it was necessary to organize the Junior Les Bas Bleus. To become a Junior Les Bas, a girl must be a Sophomore in standing and have a grade average of at least 3.5 M d year Sophomores are a lowed to join in January, however, they are not pledged until the following September.

This year's group of Juniors has had a very successful season. The girls planned some interesting and educational programs which included a mothers' tea and a style show. Another outstanding program presented by the girls was the George Washington party at which the Senior Les Bas were guests.

At Christmas the Juniors divided into small groups and went carolling

In cooperation with the Senior group, the girls helped to stage two of the most successful dances of the school year; the Christmas formal "Holly Hop" and the annual Maypole Dance.

With Miss Neblick and Miss Zimmermann as advisers, the Junior Les Bas have had many helpful experiences, and we may be certain that they will be valuable members of the Senior Les Bas next year.

Original programs and colorful dances mark the Les Bas Bleus as one of the most successful clubs at S.H.S. Their mottos of fellowship, social responsibility, and cultural development were expressed throughout the year in plays, music programs, college-ahead programs, beauty talks, and in business procedure. Outstanding programs for the past year were the Mother's Tea style show and entertainment of Philos and Junior Les Bas.

On the social side, the Christmas Holly Hop and the Maypole Dance upheld the Les Bas tradition for long-awaited dances of the year. A volley-ball

The advisers, Miss Wilson (a former Les Bas) and Miss Hager helped guide Les Bas through a very successful year

As usual the Delphics furnished competition for the Wranglers. With the objective of promoting civic, social, and educational welfare of members, they entered into social and athletic activities with great enthusiasm, as was shown by the Delphic dances, pledging, hay rack rides, parties, and school assemblies. One of their most outstanding programs, which has always been enjoyed by students for its originality and entertainment, was the Delphic Amateur show. The Delphic Shamrock Shuffle was very well attended this year, as was the Wran-

WRANGLERS

To become a Wrangler, a boy must be a Sophomore, have a passing grade in three of his subjects, and take an interest in the activities of the club. The Wranglers' policy is to aim for the betterment of club standing in the school by providing evidence that they have been a centributing factor to the school as a whole

The number of Wranglers was increased to 108 this year, but such a large group is unnecessary for obtaining the needed co-operation; therefore, the club has limited its membership to 33 new members a year.

The Wranglers, being a charitable group, gave twenty dollars to the "March of Dimes" this year. This money was obtained from "coke" sales at basketball games. A book was given to the school library every month. These books are quite varied in their scope, and range from sports to drama.

In both the annual football game and the basketball game with the Delphics, S.H.S. saw Wrangler victories

Not without social activities, the Wranglers started club activity off last fall with their annual bon fire and football rally. The Barn Dance, held April 18, was highly successful as is shown by the 263 attendance record. The annual Father and Son banquet with the annual basketball dinner was held April 18. To end this highly eventful year, the Wranglers gave a big party that was financed by the overflowing treasury of the club.

JUNIOR CAPITOLINE STAFF

The Junior Capitoline Staff is organized primarily for the purpose of teaching its members the art of publishing the Capitoline. Any student in his third year is eligible for membership in the Junior Capitoline if he is passing in all subjects and receives a recommendation from a Senior Staff member. Regular attendance at the weekly meetings is stressed

At their meetings the Juniors are given a chance to learn about the different jobs of the Senior members. In aiding with the Capitoline campaign they learn by actual experience. These students also sell Directory advertisements and Capitoline acknowledgements.

This year the students of S H.S. have the Junior Capitoline Staff to thank for the Student Directory which is usually done by a Senior Staff. However, no staff was appointed, so the job was up to the Juniors and they came through brilliantly.

Having seen what we have of this Junior Staff, we may be certain that next year's Capitoline will be a success.

STUDENT COUNCIL

A reform movement was started last fall when the Student Council officers, chosen the previous year, announced the popular election policy of choosing members. If a student was interested in becoming a member, it was necessary for him to present a petition with twenty-five signatures of fellow classmates. From the list of petitions, the Student Council was chosen by student election

Two very beneficial acts were the regulations passed by the Council this year. Before a student was allowed to make an announcement in assembly, he was required to receive coaching in talking over the microphone from Miss Ellen Rourke. The new dance regulations, passed in April, were enthusiastically received by the student

body. A student could take an out-of-school guest to a school dance, providing he had first gotten permission from the student office and had agreed to be responsible for the guest's behavior.

With Miss Bundy as their adviser, the members of this group were active in the inter-school council, the Jr. Red Cross campaign and the annual Tuberculosis Association drive. It was the S.H.S. Student Council that decorated one of the Christmas trees in front of the Court House last December Whenever there were concerts, P.T.A. meetings, commencements or other school affairs in the auditorium, the ushers were members of the Council.

Not lacking in social activities, this group sponsored two very successful dances—The Depression Daze and The Spring Fling

A comparatively recent organization at S.H.S., the Modern Language Club is a combination of Spanish and French students. The club was organized for the purpose of further practice in speaking and understanding modern languages, and for the promotion of fellowship among modern language classes at S.H.S.

Under the direction of Miss Mathews and Miss Ronca, this group has gone a long way toward accomplishing its objective. Two outstanding programs presented were a Christmas party and a French play.

To be eligible for Modern Language Club, a student must be a member or a former member of either a Spanish or French class, and have a 3, average in all academic subjects.

For a student to be elected to the National Honor Society is a privilege indeed! It is proof that he has excelled in scholarship and character during his high school career

From this year's January and June classes, 30 girls and 14 boys may be seen wearing the torch, symbolic of the National Honor Society. Not more than fifteen per cent of the class can become members of the organization and those chosen must have a 4.66 average in one major subject and must have maintained a B average throughout high school

This year the National Honor Society offered ten scholarships of \$300 each, to be awarded about the country by a competitive examination. Nine members of the S. H. S Honor Society took the examination and Charles Gibson, one of the participants, received honorable mention for having one of the high scores

THE SENATOR

The school year of 1947 brought forth many memorable events, especially the publication of the new school paper, THE SENATOR.

Without a student newsheet for two years, Mr. Davis decided to remedy this situation if students were willing to give the time to a publication of this kind. In the spring of '46 a petition was started, to be signed by all those interested in working on such a project. Also, a vote revealed that over ninety per cent of the student body would subscribe to a school paper.

The beginning of this year found S. H. S. with Miss Margaret Wilson as a capable adviser and a newly formed journalism class ready to take on the job of publishing a paper. After enough subscriptions were obtained to cover costs, a contest was held to name the student paper—hence, THE SENATOR

By changing the editorship of each paper, all students gained the experience of being the "chief." It was no easy job—writing editorials or features, getting the news, and making it all fit on the dummy. Also, the new semester brought a new staff but the strong spirit remained

Our efforts were rewarded, though, as Quill and Scroll, a national honorary journalistic society, accepted THE SENATOR and made several of the staff members

It is the hope of old staffs that the coming school year will bring forth a group who will enjoy working on the paper as much as their predecessors did and will make THE SEN-ATOR bigger and better than ever.

Since the reorganization of the Future Farmers of America two years ago, the club has become one of the most active in the school. Outstanding is the fact that the F.F.A, is the only club to hold regular meetings and conduct activities during the summer months.

The S. H. S. chapter sent judging teams to the state convention where they won many awards. Delegates were also sent to the national convention held in Kansas City last September. Other events of this year included a public speaking contest, judging contests and an essay contest. Livestock projects were shown at the State Fair and one Senior won the DeKalb Agricultural

award. Sports had their place with the F.F.A. as shown by their fine softball team

By enrolling in Vocational Agriculture a boy is eligible for membership in the F.F.A. Mr. Armstrong, the adviser, is to be commended for the fine job of organizing the S. H. S. chapter and making it such an outstanding success.

Students who emerge from this class are quite ready to enter the agricultural world. Their training has prepared them and overcome many problems that may arise. Much credit is due to these future farmers who will help keep America the strong, prosperous and beautiful country it is

BAND

The S.H.S. band is probably the most well-known of the music department's organizations. At every home football game, it was the band that furnished the entertainment for the spectators during the half; at pep assemblies it was the band that sent the team off to certain victory; and at parades in the downtown area, it was the band that represented Springfield High School

The boys in the black and red band uniforms, under the direction of Mr. G. W. Patrick, practice every day during sixth period. Their selection of music covers many types. This year at the two formal concerts, the audience heard music that ranged from a stirring march to the beautiful strains of Victor Herbert. ORCHESTRA

Mr. Constantine Johns directed Advanced Orchestra through a highly successful 1946-47 season. Coming to S.H.S. in the fall of 1946 after three years in the service, Mr. Johns joined the music dipartment, and started the Springtic difficulty of things. Mr. Johns has encouraged student leader ship in the orchestra in a purpose being to promote the highest possible musical perfection and understanding among the members of the orchestra.

Outstanding programs of the year were the December concert in S.H.S. auditorium, a program at the Orpheum Theater on March 21, the April concert in Millikin University, an assembly on May 11, and the Spring Concert, also in May.

Nor was the orchestra without its social activities, of which the most enjoyable were a picnic at Washington Park in October and a wiener roast in May.

Preparatory Orchestra, held fifth period, is for those students not yet ready to go into Advanced Orchestra.

An orchestra such as ours is truly an essential part of any high school, for good music is always appreciated by 5.H.S. students.

A CAPPELLA CHOIR

The choral department of S.H.S. has been one of the most active groups in the entire school this year. Under the direction of Miss Margaret Hausen, these students interested in vocal music have participated in many outstanding programs. The most

well known and publicized group from the department is the A Cappella Choir

The members of this organization are students who have shown their ability in other choirs or have come on the high recommendation of their previous director. In this group, the members strive toward polished work, continual development and improvement in tone, technique in handling the voice, and the building of a large repertoire of fine choral works

Among the programs given by the Choir this year were two formal concerts, one given each semester. Although a cappella music is usually of the sacred type, the S.H.S. Choir also presented a group of secu-

lar numbers, including songs by such popular favorites as Cole Porter and Rudolf Friml. A highlight of the first semester was the impressive Christmas program, given twice to accommodate the large audiences

The Choir also enjoyed presenting a student assembly on May 1st; a thirty-minute sacred concert at the Centennial Building for a Youth for Christ Rally; and another thirty-minute concert for the Lion's Club State Convention, which was attended by some twenty-two hundred people from over the state

An event which every choir member eagerly looked forward to all year was the Big 12 Music Festival, held in Decatur,

Illinois. Three large buses were chartered for the group. Each member was greatly inspired by singing with such a huge choir, under the baton of Mr. Olaf Christiansen, director of the St. Olaf Choir

It may be safely said that every student who received his "S" or gold star for participating in every performance, has had a busy but enjoyable year as a member of the a cappella Choir

It is very seldom that so many students of a high school as large as S. H. S. have the opportunity to participate in the musical activities of the school. The number of students interested in the A Cappella Choir greatly exceeds the number who can be accepted, but Miss Hausen has made it possible for Freshmen and Sophomores interested in choral work to gain experience in the Junior Choir, a group which she organized in the spring of 1946.

The members of the Junior Choir are all intensely interested in singing and they work very hard to develop enough skill so that

they may become members of the more advanced A Cappella Choir.

The student body of S. H. S. was given an opportunity to see the good work done by this group when the Junior Choir appeared on each of the two formal concerts given by the vocal department this year.

Another group which is part of the active choral department at S. H. S. is the Girls' Choir. This is the first year of the Girls' Choir's existence and it promises to be a very versatile organization.

Composed of mostly Freshmen and Sophomores, this group of ambitious girls have spent their time learning to do three and four part work, and acquiring skill in breathing, diction and other techniques needed for excellent singing

Although these girls belong to the choir mainly because they get so much pleasure from singing, they also try to develop enough

skill to become members of the A Cappella Choir.

The Girls' Choir, the third choir to be organized at S. H. S. in the last two years, made their public appearances on each of the two formal concerts given by the vocal department this year

OCTET

Meet the Octet a small but skilled ensemble of singers who represent our school before civic clubs, organizations and conventions which are held in our city

Members of the Octet have had experience in other choirs preceding their selection for this ensemble. They must be able to carry their own part alone, be excellent readers and possess personality. The Octet builds quite an extensive and varied repertoire for their many appearances.

Among the many places the Octet sang this season are the Governor's Mansion for the tea, given in honor of the president of the National Educational Assn.; two formal concerts at S.H.S.; the Community Chest dinner; Convention of Nurses of Illinois; and the Rotary and Lions Clubs.

Not only did the Octet members entertain this year, but they themselves were also entertained On May 16 the group traveled to St. Louis to hear the Metropolitan Opera Company present "Boris Godounow." Such well known and popular operatic stars as Rise Stevens and Ezio Pinza had starring roles

When the members of the Octet were presented with the special Octet pins at the close of the year, one may be certain they well deserved them

LIFE OF THE PARTY

For the first time in five years a Senior class play was presented by Springfield High School. The Seniors took things into their hands, and successfully planned and produced "The Life of the Party," a comedy written by Marijane and Joseph Haynes. Mrs. Cline and Mrs. Hubbard directed the play which was presented on March 27 and 28

Aside from the cast, some eighty other Seniors served on various committees that were essential to the play's success. To make everything go smoothly was a hard task, as the Seniors found out, but it was fun, too. It gave members of the class a chance to be together and learn through cooperation. Often the members of the cast never left the school building until six o'clock at night, but they felt more than rewarded when they received the hearty acclaim of their audiences.

COACHES AND MANAGER

ROELLIG

Coach Bill Roellig again lead the Spring-field Senators to a highly successful season, winning seven games of the nine played S. H. S. won the city championship again, and was third in the Big Twelve, losing one game by one point. This fine record is a tribute to Coach Roellig's strategic genius and his skill in handling the boys. The name of Springfield is again one to be feared throughout the state.

McQUEEN

Little could be accomplished in football without a line. Clyde McQueen, the Senator line coach, was the man who developed the defence of the team to such a great state. He is also the coach of the great Springfield track team that already has won the city, the Big Twelve, and district championships and which is going on to the state meet

PETEFISH

The Freshmen football and track teams are coached by Charlie Petefish. His job is to condition them for the three years of varsity work to come. Although the football season was not very successful, with the team winning one and losing four, Pete can be proud of his job. Several of the boys who could have made the season a successful one for the freshmen were on the varsity squad. The freshmen track men were more successful, however. They won two meets including the Lincoln Freshman-Sophomore contest. One of the largest squads in recent years was out.

SANDERS

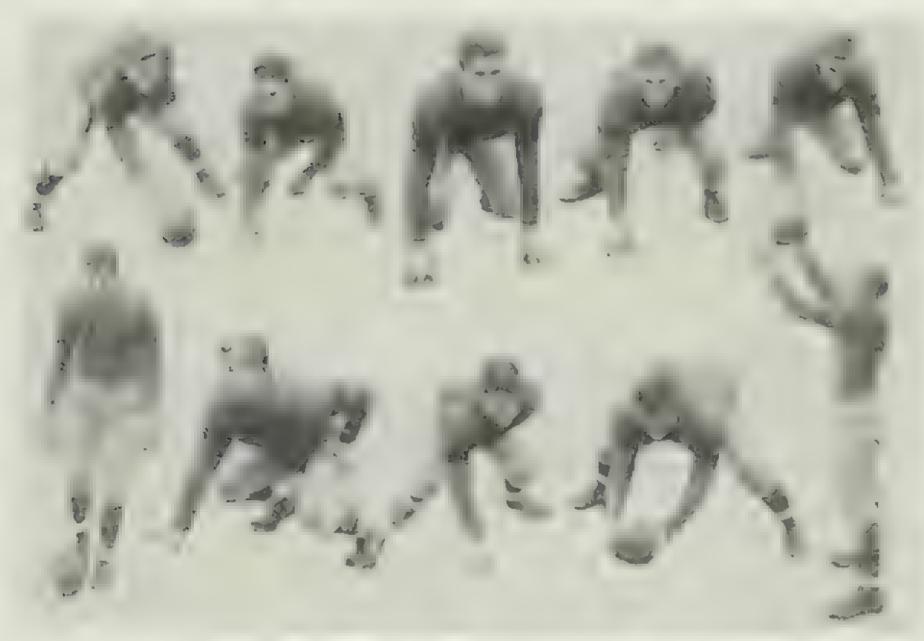

Jesse Sanders is the money-bags of the Springfield athletic department. Besides this, he is the general manager and has charge of the ticket sales, handling of the crowds, etc. He orders the team's equipment, makes sure the injured get proper treatment and cares for the athletic field Altogether he is a very busy man and one of the main factors in the well being of the teams.

E. ST. LOUIS-SEPT. 13

A tough East St. Louis team powerhoused a 27-14 win over S. H. S. in the first game of the season on Sept. 13. The St. Louis boys depended on two fine backs, while the Senators used their passing at tack to advantage. Gibbs tossed a 21 yard pass to Wesenmeyer and again 19 yards to Kurrus for Springfield's Ione scores

FEITSHANS-SEPT. 20

Jumbies made the Feitshans game steam on September 20 when S. H. S beat the Flyers 32-18. In the first few minutes of the game, Feitshans fumbled twice deep in their own territory with Kurrus then Livingstone recovering. Toward the end of the first quarter, Gorham interrupted a pass and galloped 65 yards for 6 points. In the second quarter the Flyers got up steam enough to put one across but a few minutes later Glisson grabbed a fumble to set up the next Senator score to make it 26-6 at the half. The second half consisted of an exchange of punts with the Flyers scoring twice and S. H. S once on some fine running and passing

CATHEDRAL-SEPT. 26

S. H. S. scored 20 points in the first half of the Sept. 26 Cathedral battle to tie up the game. Gibbs

scored first after a Senator march of 42 yards Bramlet then scored from the 16 and Kurrus from the 10. In the second half, S. H. S. threatened several times, but the final score was 20-0, Springfield

LANPHIER-OCT. 4

S. H. S. gridders won their second straight city championship on October 4 with a 34-6 win over Lanphier. They had a tough time getting started. The Lions advanced to the two yard stripe in the first quarter and scored in the second. That got the Senators going, however, and Gibbs and Bramlet scored to make the half-time score 13-6. Early in the third quarter Gibbs intercepted a pass and made two passes for a score. Gorham hit pay dirt in the fourth, and S. H. S. recovered a Lion fumble for the last score

DECATUR-OCT. 11

Springfield's traditional enemy, Decatur, was the next victim of the hard-driving Senators, by the score of 27-19

On the first play of the game, White made 52 yards, and on the next went over from the three Gorham scored in the second after Cole blocked a Big Red punt. Again Gorham scored on a forty yard pass play from Gibbs. The last Senator goal came on two Gibbs runs that went for 54 yards

FOOTBALL

PEORIA CENTRAL

S. H. S. lost its first Big Twelve game by one point to Peoria Central, 7-6. The game was deuced until a last period Senator drive. The score was 6-0 with two minutes to go when Peoria rolled down the field to a goal. The point was made on a trick play, and time ran out on the Senators when a drive was stopped on the 30 yard line.

BLOOMINGTON

A big first half enabled Springfield to defeat Bloomington by the score of 21-12. Gibbs returned the first Raider punt 70 yards to pay dirt. Berning flashed around left end for 5 yards and 6 points. Gorham caught a Gibbs pass for 21 yards and our final goal. Wiesenmeyer converted all three times and the score stood at 21-0 at the half. Bloomington demonstrated its power and stock of trick plays in the second half, making two touchdowns for a final score of 21-12.

LINCOLN-NOV. 1

Springfield crushed its next victim, Lincoln, by the lopsided score of 27-0. The first score came from a 21 yard pass from Gibbs to Wiesenmeyer. The next from a 63 yard dash through the entire Lincoln eleven. Gorham again scored to make it 20-0 at the half. In the third quarter, Gibbs again connected to Wiesenmeyer for the last score. The second team worked the ball to the one in the last canto, but Lincoln held

URBANA-NOV. 8

S. H. S. won third place in the Big Twelve by beating Urbana 26-14 in the final game of the season. The Tigers scored first, before the Senators laid hands on the ball. Gibbs and Gorham brought the ball right back to tie the game. Farley recovered a fumble and Gibbs again scored. Urbana made another score, which was offset by Berning in the final quarter.

BASKETBALL

Mark Peterman

This year Mark Peterman, the dean of basketball coaches, concluded the most successful basketball season in twelve years. His team won twenty-two games against only eight losses. It tied for the city championship, won third in the Big Twelve, beat its traditional enemy, Decatur, for the first time since 1941 in two out of three games, and climaxed the season with a trip to Champaign as one of the sixteen best teams in the state.

This success is especially gratifying since this is Mr. Peterman's last year as basketball coach at SHS. One of his old players, Herb Sheffler, a member of his great 1935 state championship team, will take over these duties. We wish Herb luck, and congratulate Mr. Peterman on his long and honorable record of having gone twelve times to the state meet at Champaign and having won twice.

This year SHS had a fast-moving, hardnitting team. Two of them Kurrus at center and Gibbs playing forward
made the all city team and won honorable ment, in at the state meet. Kurrus
a great recounder led the city scoring with an average of 16.7 points a game.
Gibbs did some beautiful toor work, and was great at werking the ball under
the ball to Girnam authough out part of the season ip aved great ball for
the Siratirs. Gisson the pivot man was the most dipendable men Peter
man had on detense. Johnny Bunn was always able to tricithe other guy
when he had the hall Greeley also was the Scion rebounder who got the team
out it some tight situations. Shulton was the boy who so ably took Kurrus situations; he will probably play cen-

BASKETBALL

In the first game of a great basketball season the Routt Rockets, who had already won five straight, beat a disorganized Senator squad 42-34. The game was close all the way until the final few minutes. Another experienced team, Clinton, took the next one 42-36 In the first game of the city series, S. H. S. took Lanphier 53-47 The Senators lead all the way except for a few moments around the half. Macomb proved to be an easy victim as they fell 43-35. A highly touted U. High five provided good practice for the S. H. S. boys who beat them by the score of 46-25. A few days later, Peterman's boys made it four straight by slaughtering Staunton 57-

33. Cathedral took the second game of the city series 58-56 in a heartbreaker. Although they led through most of the game, S. H. S. had a good lead in the last few minutes, only to see the game tied and sent into an overtime. They scored and we tied it up again. Again they scored and we couldn't make it. Eight of their men fouled out, figuring that a foul shot was cheaper than a basket.

A hot Urbana squad took a 46-31 tussle in the first Big Twelve game. The Senators came back to defeat a weak Lincoln lineup 49-40. The Senators again dropped U. High by the score of 51-32, this time on their court. Then came a defeat by Bloom-

ington 44-33. The Blades then started on a six game winning streak. On the S. H. S court they beat Vandalia 35-27. The city championship was tied by the defeat of Feitshans 43-26. The Senators then beat Decatur on the Lanphier court for the first time since 1941. At one time the Reds were leading 13-3. The score at the half was 13-9. Stopping the Reds completely, the Peterman boys took over and powered their way to a 31-28 victory. Peoria Central proved an easy victim in the Big Twelve game, and were beaten by the score of 47-37.

The Solons next journeyed over to Edwardsville and won 66-51. The Athens boys had a bad night as Springfield trampled them by the score of 65-37. Staunton scored a heartbreaking upset by defeating the So-

lons 36-34 The Blades made up an earlier Bloomington setback by dropping the Bloomers 51-47. Taylorville held the Springfield five, but still lost 32-27. Ma comb was again beaten, this time 46-41. The Decatur Reds avenged their earlier loss by beating the Senators. The Solons scored a record for S. H. S. teams in beating Lincoln for the second time 74-42. In the final game of the season, the Senators beat Peoria Central in a return match. Cliff Kurrus, the great Springfield center, scored 36 points in that game for a new Big Twelve record for points in a single contest.

The Springfield record before the tournament was 17 wins and 7 losses; the best S. H. S. record in 12 years. Springfield was tied for first in the city race and in the Big Twelve

TOURNAMENT PLAY

In the first game of the regional meet Springfield defeated Petersburg 54-28. San Jose gave the Senators a few bad moments, but they too ended up as the losers in a 59-33 score. After that the going wasn't so easy. Athens put up a great fight and showed what a great team they really were The score was deadlocked 42 all, and sent into an overtime. The Senators then took over, and won 49-44 to sweep the regional

In the sectional S. H. S. met Clinton and Decatur; both teams had beaten us before However, Gibbs and Gorham were back after their long absences. With seconds to go Clinton missed several shots, and the game ended with a 34-33 victory for Springfield The game with Decatur gave the Solons an-

other workout. Our team could keep no more than a few points ahead in the scoring. The beginning of the last canto saw the Reds in a 41-38 lead. With the score knotted at 52-all, and about two minutes to go, the Decatur boys made their first mistake in fouling Kurrus several times. He made six consecutive free throws. Then, Gibbs, who was busy all evening, stole the ball under the Red basket and scored to give the S. H. S. Senators a 61-54 victory, and the sectional tournament.

The first team S. H. S. was to meet in the state finals was Dundee, the tourney favorite. Although our team held them for the first quarter, they soon drew ahead and went on to a 69-47 victory over Springfield

TRACK

The Springfield High School had one of its greatest seasons this year with Coach McQueen's charges winning eight of their ten meets and taking second place in the other two, besides taking second in the State meet

The season began on April 8 with the Senators crushing Jacksonville 86-38. On April 12, S. H. S. came in second to Decatur in the Open there. The Senators gained revenge on April 18 when they won the Pana Open with 51 points, 10 more than second place Decatur's On April 22 Peoria Central fell by a score of 61-52. The Quadrangular meet at Peoria Central was won by one point, 45 to Central's 44. On May 3, Springfield took second place in the Lincoln night Relays with 60 points. Decatur was first with 63 points. The Senators broke three records at that meet; the 440 yard relay, the 880 yard relay, and the low hurdle shuttle relay. On May 10, the Solons took the Big 12 meet, scoring 33

points to Decatur's 31½. Both the varsity and freshman-sophomore relay teams set new records in the City meet with 78 points to Lanphier's 48. The Senators broke three records in this meet. Berning did 100 yards in 10 seconds flat. He also set a new 200 record. The 880 yard relay team set a new record of 1:32.6. The District meet at Kincaid on May 16 gave Springfield the right to go on to the state meet. S. H. S. had 50 points to runnerup Litchfield's 30. The last meet before the State was on May 20 when the Senators crushed Lincoln 73.43

S. H. S. has twelve qualifier's for the state meet. These were: Bob Berning in the 100 and 220 dashes and the 880 yard relay. Oliver White in the 220 yard low hurdles and the 880 relay, Dick Gibbs in the pole vault, Cliff Kurrus in the 880 relay and broad jump, Marty Graham in the 880 relay and the 220 yard low hurdles

TENNIS

This year the ladder system was used to choose a tennis team to represent Spring-field High School. The six leaders, Walter Hodde, Wendell Hahn, L. Helphenstine, Don Hines, B. Irwin, and Bruce Woodruff have played so far in two meets with Lanphier and the District Meet. The team beat Lanphier in the first meet by winning 6 of the 7 matches. In the second meeting, Lanphier took four of the five matches. The Springfield team took third place in the District meet. The other boys out for tennis were: R. Hall, Bob Carle, Pat Noonan, Phil Vance, B. Carrier and J. Beaver

GOLF

Ten boys were taken by Coach Peterman to the District Gold tournament. The Senators won with a record score of 305 for the top four. Bob Gorham was second with 73. George Tate placed third with 76

Fourth went to Don Wolaver who made 79. These four were this year's letter winners. Charles Glisson and Don Brown will make up the other members of the State team

The other boys out were: John Bunn, Bob Ordeman, Charlie Hoogland, Jack Wolgamot, Bill Luers, R. Kruckberg and G. Hoffman

BASEBALL

Because of the large track program, it was decided that S. H. S. would not participate in the city or Big Twelve baseball schedules. Instead, four intramural teams were formed with an all-star team going into the district play. The four intramural teams are headed by Bob Cole, George Daigh, Dale Hatfield and Keith Lacy. The teams are still playing, so no report can be made at this time about the winning team. In the District meet, Feitshans beat out the Springfield all-star team 6 to 4

FRESHMEN FOOTBALL and TRACK

In Freshman football, the Petefish boys didnt have such a good year. They lost four games while winning only one. However, the Freshmen boys received valuable training in the fundamentals of football and will be experienced when they go out for the varsity in the fall. The track team had a much better record, winning three of the four meets and taking second place in the other

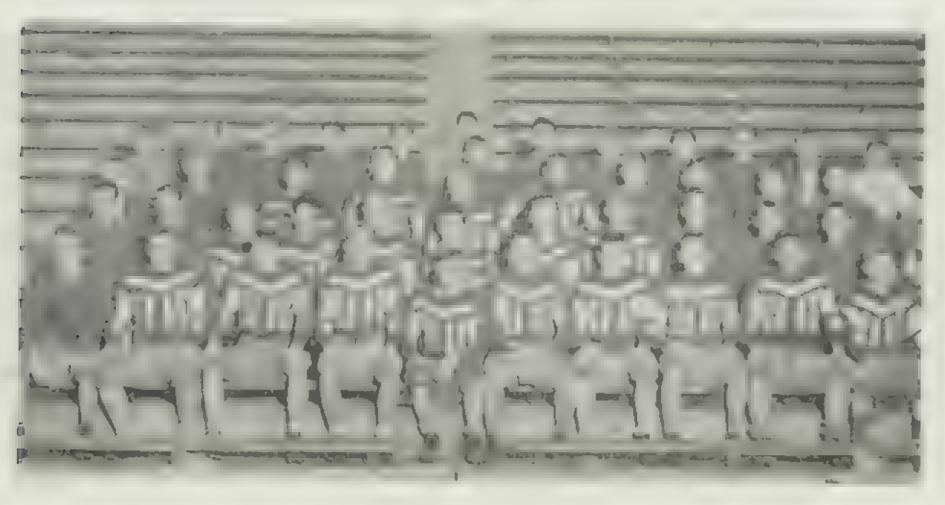

meet. The first meet was with the Rochester varsity which the freshmen easily won. Then came a dual meet with the Lincoln underclassmen which the young Senators also took. Feitshans won the Freshmen City meet, but S. H. S. won second there. The New Berlin varsity were also overwhelmed by the Springfield Freshmen.

CHEER LEADERS and MANAGERS

MANAGERS

Homer Masterakos

Part of the fun at every game is that of cheering for the team. The cheer leaders at S. H. S.—Dolores Golightly, Marianne Halpin, Roberta Pelham and Marijane Stryker—made one of the neatest appearances in years. These four vivacious girls were a great factor in the high morale of the team, and their enthusiastic cheerleading was responsible for many sore throats among the students

The team managers were an invaluable part of the athletic teams. A complete list of all the activities of our team managers would practically fill a book. Football managers Homer Mastorakos, Glenn Pratt and Dale Hatfield, and basketball manager Jack Towers performed their various duties swiftly and efficiently. The school owes them many thanks for their long hard hours of service without pay or glory

CALENDAR FOR 1946-1947

SEPTEMBER

- 2—Today—the first in the new school year—saw many a suntan that proved the summer had been one of great fun. Too bad it couldn't have lasted longer; the summer, that is!
- 6—"Back to School" was the theme of the Entre Nous Sub-Deb dance
- 7—Pill Rollers began their dancing season during this school year with a successful "Return to the Institution."
- 13—Our football season began on the East St. Louis field; however, something slipped up 'cause the game ended 27 to 14 in their favor.
- 14—Not to be outdone, Sept. Huere also threw a dance based on the school reopening theme.
- 15—The future heroes of the S. H. S. pigskin got off to a flying start under Coach Petefish. Looks as if our record will be in good hands!
- 17—Philos break the ice by holding the first meeting of the year.
- 18—"Pour in some water and out flies three doves, thirty colored scarfs, a potted geranium, etc." So it went in the first assembly that featured a grand magician. Also, this was the last day for Student Council petitions.
- 19—The Les Bas Bleus was called to order for the first time today. Tonight things were pretty hot for the Wranglers. And, why not, they built their annual bon-fire.
- 20—Revenge for our first defeat. The victim: Feitshans High. The score: 32-18. The Wrangler dance was a huge success not only because of this victory, but also since the Wranglers gave it.
- 23—"Eek-surely it isn't human!" But it was because this day started girl's pledging for a week. Also, Rubin-off played his glorious violin during 5th and 6th periods.

- 25—All those interested in compiling the book which you now hold, filed into 112 for the primary Jr. Capitoline meeting.
- 26—Aha! Another victory. This time Cathedral fell to its superiors under the blow of 20 to 0. The new school paper, Senator, was distributed without charge for the first issue.
- 27—A new Student Council was elected today.

OCTOBER

- 3—The new Student Council met.
- 4—The pep assembly we had today did some good. Proof: Lanphier 6: S. H. S. 34.
- 7—"But I'm allergic to garlic" was the plea beginning today. Pledge week started for the boys.
- 10—"Here's mud in your eye" especially
 if you got too close to Stink Creek,
 for today was the annual tug of war.
 Also, Teacher's Institute was a good
 excuse for no school.
- 11—Perfect day—no school and the defeat of Decatur by our heroic eleven to the tune of 27-19.
- 13-Wranglers met the Delphics across the pigskin.

Girls take over backerball - Gym astemblying

- 14—More potato salad! Sure enough this day brought the Philos to their Fall picnic.
- 17—Even the rain didn't stop the Les Bas from having their Pledge picnic No, they were there to their last galosh!
- 19—Hm—don't look now, but Peoria Central beat us by one point. They had seven. In case you can't figure this one out, we had six.
- 23—Another assembly. This time the Student Council's brainstorm
- 25—End of the term. Extra grade slips are scarce. The Pill Rollers sponsored a Broomstick Ball that was happily preceded by a game that ended S. H. S. 21; Bloomington 12

NOVEMBER

- 1—Another game, how boring! S. H. S. defeated Lincoln 27 to 0.
- 2—Charter gave their Halloween dance— "Spooky Spook Whoops." Appropriate, eh what?
- 4—Basketball season begins. More will be said later. Hold on.
- 8—We ended our football season in a nice attitude. S. H. S. 26; Urbana 14.
- 9—Pic Wic Sub Deb gave a barn dance. In a real barn, Now that is novel!

- 11—No school 'cause of Armistice Day.
 This news probably broke many a
 heart—Ha!
- 12—During today and the day after, Freshmen took tests.
- 15—Another assembly. This time the Charm Quartet. Tonight the Student Council held their "Depression Daze" in our private ballroom; alias, the Girl's Gym. "
- 20—"Hear ye, hear ye!" Today was the final day to turn in petitions for class officers
- 21—Today the football teams got their letters for which they fought many a battle—on the field, that is. Also Les Bas entertained Philos.
- 22—Class officers elected—seems the boys now hold most of them. The girls aren't jealous, however, they always wear green.
- 25-Again this day we had an assembly.
- 26—The A Cappella Choir held its concert tonight. Real nice, too, wasn't it?
- 27—Our first basketball game didn't turn out so well. Routt 42; S. H. S. 34.
- 28—Thanksgiving. More trukey sandwiches for lunch. Pill Rollers had a dance tonight. And there wasn't any school, if anyone's interested
- 29—The second game wasn't much better than the first, although we did make two more points. Clinton 42; S. H. S. 36
- 30—Hob Nob collected many a person at their dance tonight.

DECEMBER

- 3—Another one of those things during second period—think they're called assemblies. This one featured, in fact starred the Spanish class. Pictures were taken of the clubs for the Capitoline. Gosh, but those lights are bright!
- 6---At last! Those two former games were just to warm up. We defeated Lanphier 53 to 47.
- 7 On this historical day, S. H. S. made history by beating Macomb 43 to 35.

- 10—"This will hurt you more than me," he said as the long needle perforated my arm. Yes, today T.B. tests were given. And later, in our own gym, we defeated University High 46 to 25.
- 12—The auditorium was the scene of an Orchestra Concert tonight.
- 13—The date did not prove bad luck. We ended the game S. H. S. 57; Staunton 33.
- 15—Christmas season was welcomed in with the Cantata today at 2:30. Mr. Benedict and his gang did a swell job!
- 19—Senior Les Bas entertained their little sisters, the Jr. Les Bas in a Christmas party. Then tonight in an overtime game that was enough to blow the ceiling off, Cathedral defeated Springfield by a basket, 58-56.
- 20—The end of school for Xmas vacation. A Cappella Choir presented a program of Christmas music, and a Big 12 game (which ended Urbana 46 and S.H.S, 31) finished the day.
- 21—First Christmas dance was sponsored by Pill Rollers at the St. Nick.
- 23—Wranglers acknowledged the festive season with a very enjoyable formal tonight.
- 25-If you don't know what this is, I'm certainly not going to inform you!
- 26—Les Bas presented their annual Alumni formal in the Gold Room at Abe Lincoln. It was called the "Holly Hop." 'Course I've never seen one, but that doesn't mean it isn't possible.

JANUARY

- 2—"Again the doors are opened wide, to let the learning minds inside,"
- 3—Lincoln probably felt it wasn't very nice of us to come over to their gym and defeat them 49 to 40—but we did it!
- 7—Our second game with University High proved just as victorious, 51 to 33.
- 10—This game is hardly worth mentioning We lost to Bloomington 33-44.

- 11—Another game and another victory. S. H. S. 35; Vandalia 27.
- 15—Not all the sport tournaments were concerned with boys, cause today the girls played kickball. And they got emblems, too!
- 17—A game that was quite doubtful until the last quarter was played tonight at Lanphier Gym. It ended S. H. S. 31; Decatur 28.
- 18—Jean Ferreira made a very attractive queen at the "Winter Wonder Prom" tonight.
- 19—Senior Class Services at First Christian Church.
- 20—The day for which we all strive but only achieve when a senior—"Skip Day."
- 21—"Is you to graduate or is you not?" was the question today. Final exams for January Seniors.
- 23—The last lap—Commencement in auditorium.
- 24—Tonight we defeated Peoria Central 47 to 37. Not bad, eh, what?
- 25—Two in a row. Edwardsville 51; S. H. S. 66.
- 27—Now to start anew. Beginning of the second semester.
- 28—"I Remember Mama" furnished excerpts for the assembly today,
- 31—Athens joined the other schools that had received S. H. S.'s crushing blow. This time 65 to 37.

FEBRUARY

- 4—Staunton wasn't quite as generous with this game. We lost 36 to 34.
- 5-What do ya know-another assembly.
- 6—From now on to the end of February.
 College Representatives were in the
 library every Thursday.
- 7—Tonight we won 51 to 47. Too bad, Bloomington, but that's life! Sid Pip held a dance afterwards.
- 8—The Beaux Arts held their 15th Ball in our gym. We played ball in the Taylorville gym with a win for S. H. S., 32 to 27.
- 11-Philo "Cupid Capers" in gym.
- 12-Lincoln's Birthday-no school!
- 14—Decatur decided to even up the score, so they defeated us 46 to 30. Hmm! Think that was uncalled for.
- 15-S. H. S. defeated Macomb again. This Time 44 to 41. It was close. Whew!
- 20-Jrs. entertained Sr. Les Bas.
- 21—Big day. All set? OK, here goes.
 Senior class play cast announced, annual Wrangler-Delphic basketball game which ended in the former's favor 28-16, regular game which featured Lincoln that netted 42 and S. H. S. 74, and to top this, Pic Wic Sub Deb held their "Basketball Bounce" in the Rose Room.

MARCH

1—The final basketball game of the season ended just as we would have it— Peoria Central 59; S. H. S. 69

Schior Class Play

- 5—The Girl's Gym classes gave a hilarious rendition of a basketball game to-day in assembly. We entered the regionals at Athens and defeated Petersburg, 54 to 28.
- 6—Another game—San Jose was out of the running now by a score of 59 to 33.
- 7—Well, we passed the first hurdle. Defeated Athens 49 to 44 in an overtime game to win the regional cup.
- 8—Pill Rollers held their annual invitational dance.
- 12—"Hmmmmmm" Capitoline staff presented its 1947 campaign assembly.
- 13—Hurrah! The 1946 yearbooks were distributed after school today. Tonight in Sectional play, we defeated Clinton 34 to 33 in Kintner Gym at Decatur.
- 14—Old rivals met again tonight—we won the Sectionals, thanks to our defeat of Decatur 61 to 54. On to the State! Sure, and then the Delphics held their Shamrock Shuffle.
- 15—The ides of March afforded a swell night for the Hob Nob Twin Spin.
- 20—At Champaign's Huff Gym we lost to Dundee 69-47. But at least we got to the State!
- 24—Capitoline subscriptions started.
- 27—Matinee of "Life of the Party," Senior Class Play at 2:30.
- 28—Final performance of "Life of the Party." Subscriptions end.

APRIL

- 1—Oh! Those practical jokers!
- 3—The Obeline Sextet presented a musical assembly today.
- 4—Good Friday. Unlock those chains on the desks—no school
 - 5—Pill Rollers again furnished a "shindig" for the Easter season.
- 6-"Was the bunny good to you all?"
- 7—Today was good, too-ha, no school.
- 8—First track meet—think, we won! As if it was possible for us to lose.

- 9—Junior class presented their assembly.
- 10—"Oh, wasn't the soloist just the cutest thing?" The Army Ground Forces Band gave a concert during 6th period.
- 11-De Molay "Sweetheart Dance."
- 15—All Sophomores, Juniors and Seniors took a world problems test during second period today. Oh, if they had only asked what Dick Tracy was doing!
- 17—A very musical day. Delphic Amateur Show and the U. of I. Glee Club during 6th period. Then tonight the P. T. A. honored our successful basketball team with a banquet.
- 18—Wranglers held their Barn Dance tonight. Too bad the boys can't grow "man-sized" beards
- 25—End of the term, and the Junior Class Dance in the Gym.
- 29—Another Tuesday and another assembly.
- 30—Senior class meeting in auditorium. Committees announced

MAY

- 1—A Cappella Choir gave program and humorous skit in assembly today.
- 2—Student Council sponsored a very nice dance tonight.
- 3—A Cappella Choir attended a grand Music Festival in Decatur all day today. They seemed to have a fine time.
- 9—"Take that pastel ribbon from around my neck" or the annual Les Bas "Maypole Dance" was held tonight in the gym
- 11—Chorus classes presented another cantata today at 2:30. Good, too!
- 14—Goody, goody, gumdrops, another assembly. This time the orchestra entertained
- 15—In our auditorium at 8:00 tonight, the band took the spotlight with their concert.
- 20—Awards were given out in an assembly today—a nice long one, too!

- 22—Tonight the orchestra showed their ability in a Spring Concert. Hope everyone was there!
- 23-24—These two days saw our "Thinclads" in Champaign at the State Track meet.
- 26—First and second periods were shortened —the cause, an assembly. Tonight an Alumni Dinner was held in the cafeteria
- 27—"Tra-la-la" so sang A Cappella Choir in its concert this evening. In four parts, though!
- 29-Hurrah! "Skip Day" for the Seniors.
- 30—No school for anyone today—Decoration Day. Gala occasion tonight— "The Prom."
- 31—Exciting afternoon—Big Twelve track meet.

JUNE

- 1-Class services at the First Christian Church.
- 5—"Farewell to you, old Springfield High, The night of parting has drawn nigh."
 - Recognition Assembly and Commencement in the auditorium. Afterward the Philo Dance, which was enjoyed by all.
- 6—"The School recesses again once more For vacation tarrys at its door."

 The end of school and all who return next year will be one step up—at least we hope so.
